Dr. Peter Elsbach
Dept. of Medicine
New York University Medical Center
550 First Ave.
New York, NY 10016

Re: Grant #2051

Dear Dr. Elsbach:

The Scientific Director and CTR's staff have discussed your proposal of September 29 concerning support of the Gordon Conference on Phagocytes to be held next summer.

This is a topic of great interest to the Council, and the list of speakers suggests that the quality of the meeting will be very high. We certainly consider support of such conferences important to our mission. I therefore am pleased to tell you that we will make a contribution of $2,500.00 (the maximum amount we allocate for the support of a meeting) to help defray the costs of the symposium. A check for that amount is enclosed with this letter.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector. We would also appreciate your holding open one registration slot for attendance by a representative from this organization.

Sincerely,

Harmon C. McAllister
